Lincoln-Way Marching Band

- There are two performance levels in the LWMB:

    - "Football Pep Band" – Performances include football games and local campus pep assemblies. No curricular enrollment required. Comprised of winds and percussion, Lower time commitment, and a great experience for the student who does it all!

    - "Performance Band" – This is the full LWMB experience that involves winds, percussion and colorguard. The LWMB "Performance Band" includes all performances in parades, football games, and competitions. Students are required to be at band camp and all rehearsals, but the rewards and memories are wonderful and endless! **Requires enrollment in curricular band classes.**

What students are eligible to attend?

Students registered for "Performance Band" are eligible to attend the trip.

The extra-curricular offering of marching band is designed to be an extension of our curricular band classes. All students have an option of joining at the base level but to commit to the advanced level requires much more training and fundamental time to be successful in what we require students to do.

We learned a few important lessons from our **Tournament of Roses** experience, therefore, with the upcoming trip to Macy's, we are clarifying what the student requirements are to be eligible for this trip. It **will** be a requirement to be enrolled in the LWMB "Performance Band" in order to travel to New York and perform in the Macy's Parade.

This change is primarily driven by the fact that The Macy's parade has an additional element of televised performance equivalent to our competitive production expectations.

How can I fundraise money for this trip?

I.F.A. Fundraisers @ Your Campus

- What is an "I.F.A.?"
    - Each family has a fundraising account (I.F.A.) (formerly I.B.A.) with the local Music Boosters organization, and a portion of the profits from certain fundraisers are credited to the account.
